Dear Cllr Monk,

Re: Liskeard Application to CIL Fund for the Rapsons Skate Park Project.

I am writing in full support of this sound proposal, submitted to the Community Infrastructure Level Fund by Liskeard Town Council to upgrade the existing Skate Park which is sited on Cornwall Council land in Liskeard South and Dobwalls. The Park was established some 20/25 years previously and has suffered considerable wear and tear over the years and needs updating to today's modern standards.

Liskeard has been building many houses to accommodate young families, the parents and the youngsters have come forward to the Town Council requesting that this facility is not left to deteriorate or worse become redundant. It is very popular with the young people and a good venue for a healthy outside activity. The Town Council have facilitated many projects in Liskeard and I am certain that they can deliver this project in a timely and efficient manner.

You will be most welcome in Liskeard if you wish to visit the site and discuss the project further with the Mayor, Town Council Facilities Manager and the residents. I shall be more than happy to arrange a meeting at a convenient time to you.

I look forward to hearing from you.

Kind Regards,
Jane Pascoe
