Liskeard Town Council has chosen HemingwayDesign, a highly experienced team of urban and multidisciplinary designers to help them prepare a community-led Vision and Action Plan for the town.

HemingwayDesign will undertake an assessment of Liskeard and the range of projects it has underway, and work with residents, businesses and community organisations to agree how the town should continue to move forward and respond to the varied challenges that it faces. The consultants visited the town on 12th and 13th December, saw key sites and met with officers, businesses and other stakeholders.

They are holding a public workshop on Monday 17th February and hope as many people as possible will take this opportunity to get involved and shape the future of the town.

The project is being funded by a grant from the Cornwall Council Town Accelerator Fund.
