

LISKEARD TOWN COUNCIL

SOCIAL EMERGENCY FUND POLICY

Aim: One of the ways that the Town Council has responded to the Coronavirus and issues facing vulnerable people within Liskeard, is to establish this Social Emergency Fund. This is intended to support the activities of those community groups and organizations bringing help and support to those facing isolation and need.

It is not to cover things already provided by other organizations. It is to fill gaps in provision. Other sources of support might be:

- The UK Government www.gov.uk – this is where the Government releases the latest information and you can sign up to alerts
- Cornwall Community Foundation www.cornwallcommunityfoundation.com

Eligibility Criteria to assist potential applicants and Councillors.

- Applications need to demonstrate that the grant aid will be of benefit to the community of Liskeard.
- Applications are welcomed from community groups, social enterprises, trusts and charities. Grants will only be given to non-profit making organisations.
- We particularly welcome applications from several groups working together. If we receive similar applications from different groups we may ask you to coordinate your efforts.
- An individual may not receive a grant, although we can fund organisations to provide financial help to individuals.
- Grants will not normally be awarded retrospectively to any project.
- Normally awards of grant will be in the range of £50 - £500. For applications which the Committee considers are exceptional, the Committee can reserve the right to approve a grant of up to £5,000.
- When supporting the delivery of frontline services to those facing isolation and need, grants can be paid against the normal operating costs of an organization. For example, wages, rents, stock etc.
- It is expected that the money will be used during the Coronavirus outbreak and it must be used within two years of being awarded.

- Should a grant be awarded the Town Council requires as a condition of approval that the support of the Town Council is acknowledged in all relevant press releases, social media posts etc. and that the recipients of grants give feedback to the Town Council on the use of the monies awarded. This could include presenting information at the public annual meeting.
 - Should the grant fund the purchase of an asset or service, which could be used by other community groups when not required, the applicant is encouraged to share the benefit.
 - Applications must be made on the form supplied.
 - Applications to be sent by e-mail to the Town Clerk townclerk@liskeard.gov.uk
 - Correctly completed applications will be considered by the Town Council as soon as possible.
- Please contact Steve Vinson, the Town Clerk, to discuss any questions you have. The application needs to comply with the above guidelines to be considered by the Council.
