LISTED BUILDING NOTES

Attention is drawn to Section 8 of the Planning (Listed Buildings and Conservation Areas) Act, 1990, the effect of which is that demolition may not be undertaken (despite the terms of the consent granted by the Local Planning Authority) until notice of the proposals has been given to the Royal Commission on the Historical Monuments of England, National Monuments Record Centre, Kemble Drive, Swindon, Wiltshire, SN2 2GZ, and the Commission subsequently have either been given reasonable access to the building for at least one month following the grant of consent, or have stated that they have completed their record of the building or that they do not wish to record it.

If the applicant is aggrieved by the decision of the Local Planning Authority to refuse Listed Building consent for the proposed works, or to grant consent subject to conditions, he may by notice served within six months of receipt of this notice, appeal to the Secretary of State for the Environment in accordance with Sections 20 and 21 of the Planning (Listed Building and Conservation Areas) Act 1990. **(Appeals must be made on a form which is obtainable from The Planning Inspectorate, Customer Support Unit, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN, Telephone: 0117 372 6372 or download from web site <https://www.gov.uk/government/organisations/planning-inspectorate>).**

Please Note:- If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. [Further details are on GOV.UK. \(https://www.gov.uk/government/collections/casework-dealt-with-by-inquiries\)](https://www.gov.uk/government/collections/casework-dealt-with-by-inquiries).

If listed building consent is refused, or granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State for the Environment and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by carrying out any works which have been or would be permitted, he may serve on the council of the county borough, county district, or London borough in which the land is situated (or, where appropriate, on the Common Council of the City of London) a listed building purchase notice requiring that council to purchase his interest in the land in accordance with the provisions of Section 32 of the Planning (Listed Buildings and Conservation Areas) Act, 1990.

Your attention is drawn to Sections 7 and 9 of the Planning (Listed Buildings and Conservation Areas) Act, 1990, the effect of which is that it is a criminal offence to execute or cause to be executed any works for the demolition of a listed building or for its alteration or extension in any manner which would affect its character as a building of special architectural or historic interest without listed building consent. Further it is a criminal offence to fail to comply with any conditions attached to the consent.

PLEASE NOTE PERMISSION IS NOT LAWFUL UNTIL THE CONDITIONS ON YOUR DECISION NOTICE HAVE BEEN SUBMITTED TO AND APPROVED (COMPLIED WITH) IN WRITING BY THE LOCAL PLANNING AUTHORITY.

The decision notice is important but you must read it together with the application and any approved drawings or documents.

It is your responsibility to comply. Failure to comply with the items of an approval could mean that the work you carry out is unauthorised and at risk of enforcement action, which could have serious consequences.

Please read the decision notice carefully and ensure that you understand and comply with the requirement of any conditions. Also, you must comply precisely with any approved drawings or documents.

If this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, if you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice. If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning

authority's decision on your application, then you must do so within 28 days of the date of service of the enforcement notice.
